## A Message from the President

On behalf of your newly elected Executive Board, I thank you for all your trust and support!

With President Trump in the White House our Nation is on the right track. BFRW is also on the right track; while advancing Republican values, BFRW continues to support our veterans via community service programs and our youth through our Education Scholarship programs.

As members of the National Federation of Republican Women and the Florida Federation of Republican Women, BFRW's foremost goal will always be empowerment of women from all walks of life by providing them a platform in the civic, political and governmental arenas.

Our recently elected Executive Board is committed to the task.
