With Gratitude for Your Service to Our Community

On behalf of the Brevard Federated Republican Women, we extend our heartfelt thanks to you for your service to our community. Public service is no small undertaking—and in today's political climate, it requires both courage and conviction.

We know you will continue to carry out your responsibilities with the same integrity that inspired you to run for office. Know also that we are paying attention—not with a critical eye, but with hope, encouragement, and a shared desire to strengthen our community.

Legislative Committee: HB1205 Update

The Florida House of Representatives

Representative Debbie Mayfield

District 32

District Office:
900 East Strawbridge Avenue
Suite 408
Melbourne, FL 32901

House Bill 1205 is a comprehensive reform of the process for a citizen-led initiative to place a constitutional amendment on the ballot. The legislation was signed by the Governor on May 2nd, 2025 and went into effect immediately.

The bill intends to protect initiatives from the types of widespread fraud that the Office of Election Crimes and Security investigated during the last election. Specifically, the bill makes the following changes:

Requirements for Petition Sponsors

- Before collecting any signatures, a petition sponsor is required to submit affirmations to the Department of State that each person collecting or handling petitions is a US Citizen, FL resident, and is not a felon.
- Once a petition reaches 25% of the required signatures, a petition sponsor is required to submit a \$1,000,000 bond to the Department of State.
- An organization may only sponsor one petition at a time.

Verification of Signatures

- Petition forms must be delivered to a supervisor of elections in 10 days (Current law is 30 days).
- A supervisor of elections must notify an individual that they have signed a petition, and individuals will have an opportunity to revoke their signature.
- The bill requires initiative petitions to elicit additional identification information from voters signing the petition.

Election Violation Enforcement

- Increases existing fines and creates new criminal penalties for violations of the initiative petition process
- Violations of the Florida Election Code relating to irregularities or fraud involving issue petition activities are eligible for RICO charges.

FFRW Legislative Priorities

BFRW is proud to have so many amazing members.
To show our appreciation, our Newsletter will feature several

Debbie Mayfield

Florida House Representative

Debbie Mayfield is a mom, grandmother, and proven conservative who brings over 30 years of real-world business experience to Tallahassee. As a former bank executive and small business owner, Debbie knows what it takes to balance a budget and grow a healthy economy.

As a proven conservative leader, Debbie continues to be a leading voice for families, job creators, and taxpayers. She's working to reduce the burden of skyrocketing property insurance premiums, tackle the root causes of inflation, and support small businesses to create more good-paying jobs here at home.

Debbie has also been a driving force behind landmark reforms—from the Clean Waterways Act, which helps protect and preserve the Indian River Lagoon, to legislation banning in-state tuition for illegal immigrants and defending parental rights in education. She stands firmly for constitutional freedoms, backs law enforcement, and believes Florida's future is brightest when families, not bureaucrats, are in the driver's seat.
